INSTRUCTIONS FOR SUPERVISORS

Please attach a one page report in confidence, using the questions below as a guide.

About the candidate:

- Have you worked directly with the candidate before? In what capacity?
- What is your opinion of the candidate's general ability and suitability for research training?

About the project:

- Is the project feasible given the resources of the host Institution/Department (including physical space) and the candidate's background/abilities?
- What impact could the proposed project have on scientific knowledge and the lives of people living with food allergies?
- What, if any, challenges do you foresee arising with this project?
- Are you able to provide all the necessary support and supervision to enable the candidate to complete the research degree?

SUPERVISOR DECLARATION

I support this application for a CFAR3 Postgraduate Research Scholarship and I am prepared to supervise the work of the candidate. I understand this will require a minimum time commitment of one hour of one-to-one discussion each week with the candidate. I have discussed the likely impact of the project on other departments and support services and believe the project is acceptable to them.
